PARTNER  
DAYS

17. - 19.02.2017

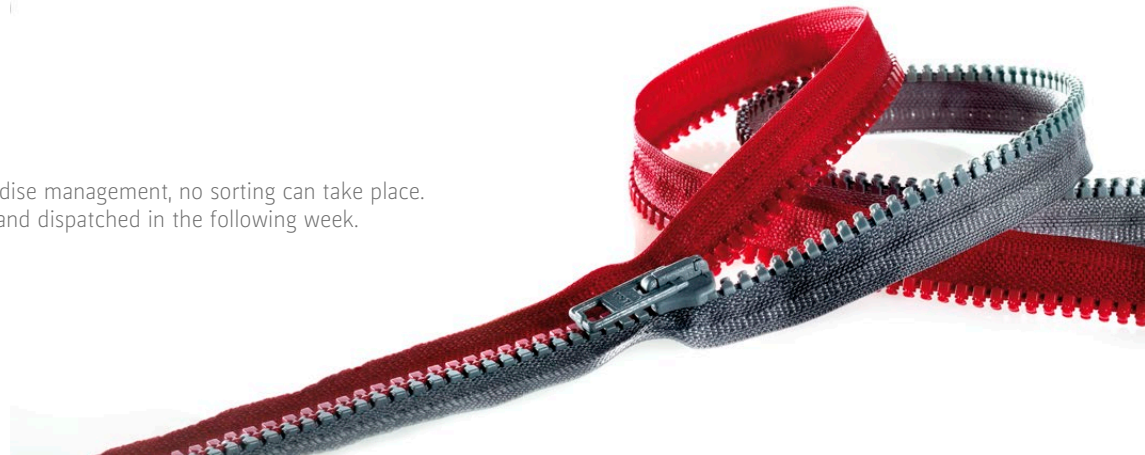

## VENO completes fashion

Make yourself „ready to start“ for the season and do not miss the connection. We offer competent exchange in the area of marketing & e-commerce, insights into market development and customer loyalty „of tomorrow“.

- ❗ Due to our linked merchandise management, no sorting can take place. Your orders are registered and dispatched in the following week.

## We deliver accessories for your success

Of course, you receive all products in our online shop. Our team is of course ready to support you any time. And we are definitively working all the time on technical innovations in order to fulfil your requirements even quicker and better.

The focus of the Partner days is the extensive exchange with the industry leaders, brands, the placing of your wishes, your suggestions and our joint development for the „specialist trade of the future“.

As a matter of course, our sales managers will be locally available for any queries and answers. Pay us a visit! We want to be successful together with you.
